GO BIG GREEN!

**CHOCTAW
CREATIVE
CAMP
C³**

**A CAMP FOR CHOCTAW'S
TRANSITIONING HIGH SCHOOL
FRESHMEN**

**Welcome New Indians
Come Experience High School
Before the Crowds Arrive!**

Choctaw's Creative Camp (C³) is tailored to suit the social needs and academic interests of our new Indians. We have designed the camp to help ease your freshman's transition from middle school to high school. It provides enrichment, socialization, and just plain fun, and gives your child an opportunity to acclimate to the new campus and meet classmates before school officially begins. We want to give your child an opportunity to gain self-confidence and learn successful communication and academic skills. Our goal is to build relationships and give your freshman a strong foundation for a positive high school experience.

High school brings many changes, from more demanding classes to new social situations. We want to help our new freshmen achieve academic success by building skills they need to manage increasing demands on their time: time-management techniques, achieving short- and long-term goals, weekly planners, and study skills such as note-taking, outlining, memorizing, and test-taking techniques.

To register or receive more information, call 833-3614. Registration is on a first-come, first-served basis.

WHEN: AUG 3 — AUG 7, 2009

9:00 – 12:30

CAPACITY: 90 STUDENTS

COST: FREE

A light snack will be provided.

Students will be placed in teams of 15 and stay with their same team for the week.

Students will work with actual Choctaw teachers.

Students will take 6 alternating, activity-oriented courses during the weeklong program so that there are only 3 classes per day.

Friday will be Choctaw Spirit and Skills Day, when your student will learn Big Green traditions, songs, and chants; meet the Freshman sponsor; and receive a spirit shirt.

CREATIVE CAMP COURSES OFFERED:

ART

AVIATION

CULINARY

COMPUTER TECHNOLOGY

DRAMA/PUPPETRY

FORENSICS/CSI

Art projects designed and taught by Ms. Sally Reagan, IB Art teacher;

Aviation guided by Mr. Leo Murphy National Aviation Teacher of the Year and head of Aviation Choice Institute
