## The IB Parent Foundation

**What:** The IB Parent Foundation is a non-profit organization created to support the IB Program at CHS. It consists of parents of IB students who want to support their students' education program.

**Why:** Many of our students have achieved success thus far with parental support of the school, teachers and activities in which they are involved. The Foundation was formed in 1996 to support the IB staff and to help pay for IB activities. Most of the IB extracurricular activities are organized and/or paid for by the Foundation.

**When:** The Foundation board of directors meets monthly. Meetings are open to all foundation members. Committees meet as necessary.

**Who:** The strength of the Foundation depends upon the involvement of each parent. We need your contributions of time and/or money to maintain our level of support to the school.

**How:** Several memberships are available. Please choose the option that best fits your budget and join the IB Parent Foundation. Any level of contribution is appreciated and tax deductible.

- > AP Exam Proctoring
- > Class Social Events

## Membership

### Why should you join the IB Parent Foundation?

> Choctaw's IB Program becomes stronger with great parental involvement. The IBPF supports our students by recognizing their achievements and providing fun and enriching activities which will encourage them as they face the academic challenges of IB. This contributes to the overall success and growth of the IB program.

> Every dollar of membership dues is returned to IB students in supplies for their classrooms, special activities, and services.

> Foundation membership gives you an opportunity to network with other IB parents: to answer your questions, address your concerns, and support other IB students and parents.

> IB Foundation notifies members by email of opportunities for qualified CAS projects.

> Members receive email reminders concerning upcoming IB activities and events.
