2010 COLLEGE ADMISSIONS PROFILE

SCHOOL AND COMMUNITY

Choctawhatchee High School, established in 1953, is one of three comprehensive public high schools in the greater Fort Walton Beach area. Located on the Gulf of Mexico in Northwest Florida, the community has a population of over 171,000. Enrollment is approximately 1650 and represents an ethnically, racially, and socio-economically diverse student body, 30% of whom come from nearby Eglin Air Force base and Hurlburt Field. The Okaloosa School District, of which Choctaw is a part, has consistently been recognized by the Florida Department of Education as one of the best school districts in Florida.

THE INTERNATIONAL BACCALAUREATE PROGRAM

CHS is one 62 schools in Florida and 3003 schools in 139 countries authorized by the International Baccalaureate Organization (IBO) in Geneva, Switzerland, to offer IB programs. Currently, approximately 838,000 students participate worldwide. CHS has the only full diploma program in Okaloosa County. The IB program offers a rigorous, comprehensive approach to learning in the last two years of secondary school. It is considered the "gold standard" of college prep by selective universities throughout the world. The IB curriculum promotes a broad range of subject areas, critical analysis, a concern for applying humane values, an ability to manage time responsibly, and a willingness to work hard. For a more in-depth look at the IB program, see www.ibo.org or www.ibo.org/iba.

THE INTERNATIONAL BACCALAUREATE AT CHS

Our school's IB program was established in 1994, with the first class graduating in 1997. Selection is competitive and presently 300 students are enrolled (104 freshmen, 106 sophomores, 43 juniors and 47 seniors). Students attend IB classes with other IB students and attend elective classes with traditional program students. They participate widely in sports, student government, honor societies, service clubs and fine arts programs such as band, chorus and drama. We encourage in-depth participation in extracurricular activities rather than wide involvement.

During the 9th and 10th grade years, students take five core courses (English, Math, AP History, Science, Foreign Language) plus two electives. See Course Sequence listing on reverse side.

In the 11th and 12th grades, students take three IB courses at the standard level (SL) and three at the higher level (HL). Generally speaking, higher level courses are taught in greater depth, and standard level courses taught in greater breadth.

In addition each student completes 150 hours of community service -"Creativity, Action and Service" or "CAS"- plus 50 hours in CHS Pre-IB, (75 beginning with the IB Class of 2013) and writes a 4000 word Extended Essay junior and senior year. All students are full diploma candidates. Students who meet the requirements to earn the IB Diploma issued by the IBO in addition to a standard CHS diploma. Otherwise they receive an IB Certificate from IBO for each exam passed, and a standard CHS diploma.

GRADUATION & SCHOLARSHIP REQUIREMENTS

IB Diploma students meet Florida high school graduation requirements by completion of the IB curriculum. Requirements to earn a "Bright Futures" Florida Academic Scholar (FAS) Certificate are met by (1) completing the IB curriculum *and* (2) achieving a SAT score of 1270 / ACT score of 28 *and* (3) weighted GPA of 3.5 **OR** by (1) receiving the IB Diploma.

THE TRANSCRIPT & GRADING SYSTEM

The CHS transcript begins with 9th grade. The school year lasts 180 days with two semesters consisting of two nine-week sessions. Each student may take seven courses per year.

The grade point average (GPA) is cumulative for all courses taken in grades 9 - 12. All IB, AP, Dual Enrollment or other courses held to a college standard are weighted and earn one extra grade point per semester per course. All Honors (Pre-AP) or CHS Pre-IB are awarded ½ extra grade point. Weighted courses are indicated with an "H" in the course flag column of the transcript. Final rank is calculated at the end of the first semester of the senior year.

STATE OF FLORIDA GRADING SCALE
