

Choctaw I.B. Parent Foundation Volunteer Interest Form

The Choctaw High School International Baccalaureate program is a model program, consisting of tremendously dedicated students, teachers, and parents who work together to provide an atmosphere in which our talented students can thrive and succeed in the most rigorous, college-preparatory curriculum program available.

In order to provide the support and recognition that the IB Students and teachers so richly deserve, the IB Parent Foundation provides Pizza Parties, Grade-Level Student Social Events, Teacher Appreciation gifts, Teacher Academic Support purchases, and special Senior projects including the Pinning Ceremony, EE Breakfast, Art Show and Senior Dinner.

These events and projects require volunteer help from our parents and family members.

Please complete the form below so that the IBPF can contact you and give you the opportunity to assist when the need arises.

Volunteer Name: _____

Student Name(s): _____ Grade Level(s) _____
