

SEPTEMBER 30TH-OCTOBER 2ND 2011

The Destin Charter Boat Association has started preparing for the 33rd Annual Destin Seafood Festival. In times like these, when our economy has been hit by so many different challenges, what better use of the festival than to give back to the heart, heritage, and history of our community. The participation of volunteers is crucial to the success of the event. The locations in need volunteer assistance will be soda booths and recycling pick up. This is a great way to get out and be seen in the community. Your services and assistance you lend the festival will be greatly appreciated. If you are interested in participating, please fill out the form below, sign and fax to 850-424-3041. **This is a first come first serve basis. The shifts requested are not guaranteed.**
